

# HOW WILL THE COURSE BE TAUGHT?

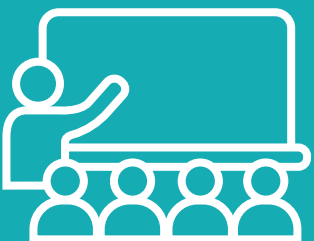

The instructor will *always* be in the classroom.

The instructor won't be in the classroom *at all*.

The instructor will be in the classroom *some of the time*.

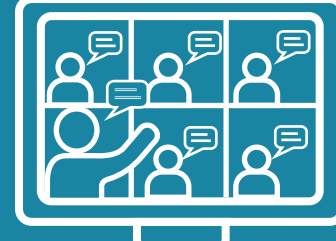

## IN PERSON

The instructor will always be in the same room as all the students.

## IN PERSON REMOTE

The instructor will always be in the room, but students will be a mix of in-person and remote.

## ONLINE SYNCHRONOUS

The instructor will meet online at a fixed time each session.

## HYBRID

The instructor will teach in the classroom more often than not.

## HYBRID LIMITED

The instructor will be teaching remotely more often than not.

## ONLINE ASYNCHRONOUS

Students will access course material on their own schedule.

## ONLINE BLENDED

Instructor will meet students online sometimes; sometimes students will access material on their own.
